Executive MBA with an Emphasis in
HEALTHCARE ORGANIZATION LEADERSHIP

Program Information

This fully online program is designed to accommodate the demanding schedules of busy healthcare professionals. The **Executive MBA with an emphasis on Healthcare Organization Leadership (EMBA HOL)** degree will prepare you to become a driving force for healthcare improvements and innovations, develop your ability to lead at all levels, and gain a deeper understanding of key management concepts and strategies from a healthcare perspective.

The Program offers Spring and Fall semester intakes.

Admission requirements are based on:

- Academic and professional experience
  - Bachelor's degree – non-healthcare related acceptable
  - 5-7 years – non-healthcare acceptable
- Professional letters of recommendation
- A personal letter of interest
